Greetings ---

We have a roll out plan in place. It is likely that the press release and FR will NOT take place on the same day. Press release likely to follow a day or two later. I am anticipating having a draft version of the press release by Thursday.

So would 11 a.m. PST, 2 p.m. EST time work. If so do we need a conference line?

Hi Ben:

Happy New Year! Hard to believe it's already been a year since we last worked together on Oregon CZARA issues! I hear we're gearing up for more fun soon.

Mark MacIntyre and I will be working with you this go 'round. Mark is our senior press officer, so will be a helpful hand.

We'd like to get on the phone with you soon (this week) to talk through our plan and who's doing what and when. We've got a draft communications strategy in hand dated December 11.

Let us know when would be a good time to talk this week. I'm off on Friday, so if we could do it before then, that would be great.

Thanks Ben. Looking forward to working with you.
